COVID-19 Response / Planning

May 7, 2020 Daily Briefing

0900 Daily Briefing;

The Grant County Health Department has reported **163, confirmed cases of COVID-19 and 14 deaths** in Grant County.

The Indiana State Department of Health (ISDH) has identified 22,503 total presumptive positive cases of COVID-19 and 1,295 deaths and 124,782 tests in the state of Indiana.

As life begins to return to whatever normal might be for a while your continued cooperation and patience will be much appreciated by the business owners and Church Leadership that are trying to understand the new rules and most of all how to keep everyone safe and healthy. The Grant County Health department and other healthcare organizations are providing much guidance to assist in this process however it will take some time.

Business assistance for re-opening in stage 2;

The Marion-Grant County Chamber of Commerce has developed a list of resources and best practices to assist businesses re-opening with modified restrictions still in place a link is provided below.

<https://www.marionchamber.org/covid-19-resources-info/#sbsa>

Employment opportunities;

The Marion-Grant County Chamber of Commerce along with the Grant County Economic Growth Council and WorkOne has jointly developed a website to assist anyone looking for work opportunities. The jointly operated website is; <https://www.grantcounty.com/covid19-workforce-recovery-jobs>

If you have health questions related to the COVID-19 virus MGH has a specific call number you can call. The number is 765-660-6999.

Respectfully,

Robert W. Jackson
Director, Grant County EMA/DHS
